

# Freak Out

Avril Lavigne

Try to tell me what I shouldn't do  
You should know by now  
I won't listen to you  
Walk around with my hands up in the air  
Cause I don't careCause I'm alright, I'm fine  
Just freak out, let it goI'm gonna live my life  
I can't ever run and hide  
I won't compromise  
Cause I'll never know  
I'm gonna close my eyes  
I can't watch the time go by  
I won't keep it inside  
Freak out, let it go  
Just freak out, let it go  
You don't always have to do everything right  
Stand up for yourself  
And put up a fight  
walk around with your hands up in the air  
Like you don't careCause I'm alright, I'm fine  
Just freak out, let it goI'm gonna live my life  
I can't ever run and hide  
I won't compromise  
Cause I'll never know  
I'm gonna close my eyes  
I can't watch the time go by  
I won't keep it inside  
Freak out, let it go(On my own)  
Let it go  
Yeah, yeah, yeah  
Just let me live my life...I can't ever run and hide  
I won't compromise  
Cause I'll never know  
I'm gonna close my eyes  
I can't watch the time go by  
I won't keep it inside  
Freak out, let it go  
Gonna freak out, let it go  
Gonna freak out, let it go.
