

# Fortune Teller

## Maroon 5

I'm not a fortune teller, I won't be bringing news  
Of what tomorrow brings, I'll leave that up to you  
I'm not a fortune teller, don't have crystal ball  
I can't predict the future, can't see nothing at all  
It doesn't mean I'm afraid of all the things that you say  
But I just think we should stay stuck in the moment today  
And as the seasons roll back, no matter how hard I try  
Summer will end and the leaves will turn again  
I don't know why you're acting like this  
I don't know why you have to do it again  
Why'd you have to go and ruin the night  
Don't worry about tomorrow's mess I never know how the future will go  
I don't know what to tell you, I'm not a fortune teller  
I never change, but I want you to stay  
I don't know what to tell you, I'm not a fortune teller  
I don't like watching TV, I don't know what it all means  
And your American dream, baby it just isn't me  
I know what I'm thinking may not be on your mind  
I know the song I'm singing, is not your favorite kind  
It doesn't mean I'm afraid of all the things that you say  
But I just think we should stay stuck in the moment today  
And as the seasons roll back, no matter how hard I try  
Summer will end and the leaves will turn again I don't know why you're acting like this  
I don't know why you have to do it again  
Why'd you have to go and ruin the night  
Don't worry about tomorrow's mess This feeling keeps growing  
These rivers keep flowing  
How can I have answers  
When you drive me in questions  
I never know how the future will go  
I don't know what to tell you, I'm not a fortune teller  
I never change, but I want you to stay  
I don't know what to tell you, I'm not a fortune teller  
I never know how the future will go  
I don't know what to tell you, I'm not a fortune teller  
I never change, but I want you to stay  
I don't know what to tell you, I'm not a fortune teller
