ASHLEE + EVAN

[Intro: Ashlee Simpson & Evan Ross]
That was so funny
Yeah
That didn't work out
Wait, I
You tryna look at it?[Verse 1: Evan Ross]
It's quarter to nine
Friday night
I'm way too tispy
I'm ready to ride
'Cause we locked eyed
If you come get me
Come get me
[Pre-Chorus: Evan Ross]
Gimme your attention
Baby, I can't hold back
Guilty by subimission
Baby, I can't hold back
Gimme your attention
Baby, I can't hold back
Guilty by submission
Baby, I can't hold back[Chorus: Evan Ross & Ashlee Simpson]
You're my tonic
My vodka contic
Alright
You're my tonic
My gin and tonic
Alright
You're my tonic
My vodka tonic
Alright
You're my tonic
My gin and tonic
Alright
Alright
[Verse: Ashlee Simpson]
