

# No Surrender

## Hawthorne Heights

[Verse 1]

Well, we busted out of class  
Had to get away from those fools  
We learned more from a three-minute record, baby  
Than we ever learned in school  
Tonight I hear the neighborhood drummer sound  
I can feel my heart begin to pound  
You say you're tired and you just want to close your eyes  
And follow your dreams down

[Chorus]

Well we made a promise we swore we'd always remember  
No retreat, baby, no surrender  
Like soldiers in the winter's night with a vow to defend  
No retreat, baby, no surrender

[Verse 2]

Well, now young faces grow sad and old  
And hearts of fire grow cold  
We swore blood brothers against the wind  
I'm ready to grow young again  
And hear your sister's voice calling us home  
Across the open yards  
Well maybe we'll cut someplace of our own  
With these drums and these guitars

[Chorus]

Well we made a promise we swore we'd always remember  
No retreat, baby, no surrender  
Like soldiers in the winter's night with a vow to defend  
No retreat, baby, no surrender

[Verse 3]

Now on the street tonight the lights grow dim  
The walls of my room are closing in  
There's a war outside still raging  
You say it ain't ours anymore to win  
I want to sleep beneath  
Peaceful skies in my lover's bed  
With a wide open country in my eyes

And these romantic dreams in my head

[Chorus]

Well we made a promise we swore we'd always remember  
No retreat, baby, no surrender  
Like soldiers in the winter's night with a vow to defend  
No retreat, baby, no surrender
