

# Sad Forever

Lauv

Daydream  
Life feels like a daydream  
And I just wish that I could wake up I just wish that I could wake up  
My mind, whispers in the nighttime  
Voices always keeping me up  
Telling me that I should give up 'Cause lately  
I've been in the backseat, doing alright  
Trying to take control, but I don't know how, to  
I don't wanna be sad forever  
I don't wanna be sad no more  
I don't wanna wake up and wonder  
What the hell am I doing this for?  
I don't wanna be medicated  
I don't wanna go through that war  
I don't wanna be sad  
I don't wanna be sad  
I don't wanna be sad anymore I don't wanna be sad forever  
I don't wanna go one more day  
I just wanna wake up and realize  
Everything's gonna be okay  
I don't know what words to say and  
I don't wanna go through that war  
I don't wanna be sad  
I don't wanna be sad  
I don't wanna be sad anymore  
I'm coming through to the other side  
I'll make it through to tomorrow  
'Cause that's all I can do today  
Do today 'Cause lately  
I've been in the backseat, doing alright  
Trying to take control, but I don't know how, to I don't wanna be sad forever  
I don't wanna be sad no more  
I don't wanna wake up and wonder  
What the hell am I doing this for?  
I don't wanna be medicated  
I don't wanna go through that war  
I don't wanna be sad  
I don't wanna be sad  
I don't wanna be sad anymore I don't wanna be sad forever  
I don't wanna go one more day  
I just wanna wake up and realize  
Everything's gonna be okay

I don't know what words to say and  
I don't wanna go through that war  
I don't wanna be sad  
I don't wanna be sad  
I don't wanna be sad anymore(Mmm, sad anymore)  
(Mmm, sad anymore)I don't wanna be sad forever  
I don't wanna be sad no more  
I don't wanna wake up and wonder  
What the hell am I doing this for?  
I don't wanna be medicated  
I don't wanna go through that war  
I don't wanna be sad  
I don't wanna be sad  
I don't wanna be sad anymoreI don't wanna be sad forever  
I don't wanna go one more day  
I just wanna wake up and realize  
Everything's gonna be okay  
I don't know what words to say and  
I don't wanna go through that war  
I don't wanna be sad  
I don't wanna be sad  
I don't wanna be sad anymore
