

# Smile

## Florida Georgia Line

Got on my smell good, got a bottle of feel good  
Shining my wheels good, you're looking real good  
Take a stack of cash out, I'm bout to blast out  
Til I run the gas out, I'm going all out  
All I want to see is you have a good time  
No I don't care if it takes me all night I'll give anything to see you look that way  
Give me that little love on your pretty face  
All I'm waiting is for is for you to just  
Lay your pretty head on my shoulder  
For a while and find your jam on my radio dial  
Girl all I want, is just to see you smile  
That pretty little smile  
I'll take you out there, in the middle of nowhere  
Let down your blonde hair, breathe in that midnight air  
Girl we can take a trip, to the river and take a sip  
Do a little back flip and kiss kiss kiss your lips I'll give anything to see you look that way  
Give me that little love on your pretty face  
All I'm waiting is for is for you to just  
Lay your pretty head on my shoulder  
For a while and find your jam on my radio dial  
Girl all I want, is just to see you smile  
That pretty little smile Girl I just want to make you dance  
Give you the best night you ever had  
Oh, and girl I want it bad, bad, bad  
I'll give anything to see you look that way  
Give me that little love on your pretty face  
All I'm waiting is for is for you to just  
Lay your pretty head on my shoulder  
For a while and find your jam on my radio dial  
Girl all I want, is just to see you smile  
That pretty little smile
