

Never Grow Up

Taylor Swift

Your little hands wrapped around my finger
And it's so quiet in the world tonight
Your little eyelids flutter cause you're dreaming
So I tuck you in, turn on your favorite night light
To you everything's funny You've got nothing to regret
I'd give all I have honey
If you could stay like that
Oh darling don't you ever grow up Don't you ever grow up
Just stay this little
Oh darling don't you ever grow up
Don't you ever grow up
It could stay this simple
I won't let nobody hurt you
Won't let no one break your heart
No one will desert you
Just try to never grow up Never grow up
You're in the car on the way to the movies
And you're mortified your mom is dropping you off At 14 there is just so much you cant do And
you cant wait to move out someday and call your own shots
But don't make her drop you off around the block
Remember that she's getting older too
Don't lose the way that you dance around in your pj's getting ready for school Oh darling don't
you ever grow up Don't you ever grow up
Just stay this little
Oh darling don't you ever grow up
Don't you ever grow up
It could stay this simple
And no one's ever burned you
Nothing's ever left you scarred
And even though you want to
Just try to never grow up
Take pictures in your mind
Of your childhood room
Memorize what it sounded like
When your dad gets home
Remember the footsteps
Remember the words said
I just realized everything I have is someday gonna be gone
So here I am in my new apartment
In a big city, they just dropped me off
It's so much colder than I thought it would be
So I tuck myself in and turn my nightlight on

Wish I'd never grown up
I wish I'd never grown up
Oh I don't wanna grow up
Wish I'd never grown up
Could still be little
Oh I don't wanna grow up
Wish I'd never grown up
It could still be simple
Oh darling don't you ever grow up
Don't you ever grow up
Just stay this little
Oh darling don't you ever grow up
Don't you ever grow up
It could stay this simple
I won't let nobody hurt you
Won't let no one break your heart
And even though you want to
Please try to never grow up
Don't you ever grow up
Never grow up
Just never grow up
