

Hold Me

Weezer

[Verse 1]

I am terrified of all things
Frightened of the dark
I am
You are taller than a mountain
Deeper than the sea
You are

[Chorus]

Hold me, hold me
Take me with you cause I'm lonely

[Verse 2]

I was closer to you back then
I was happier
I was
You are fading further from me
Why don't you come home to me

[Chorus]

Hold me, hold me
Take me with you cause I'm lonely

[Bridge]

I am...
I am...
Cold
Hold me

[Solo]

[Chorus]

Hold me, hold me
Take me with you cause I'm lonely
Hold me, hold me
Take me with you cause I'm lonely
Hold me, hold me

Take me with you cause I'm lonely
