

# Mockingbird

Rob Thomas

Here we stand  
Somewhere in between this moment and the end  
Will we bend?  
Or will we open up and take this whole thing in? Everybody else is smiling  
And their smiles don't fade  
And you don't even wonder  
Why you just don't think that way Maybe you and me got lost somewhere  
We can't move or we can't stay here  
Well, maybe we've just had enough  
Well, maybe we ain't meant for this love You and me tried everything  
But still that mockingbird won't sing  
Well man, this life seems hard enough  
Well, maybe we ain't meant for this love  
Take my hand  
And I will lead you through the broken promise land  
Yes I can, oh yes I can  
I can be there when you need it  
I'll give it all 'til you can't feel it anymore I don't wanna love you now  
If you'll just leave someday  
I don't wanna turn around  
If you'll just walk away Maybe you and me got lost somewhere  
We can't move or we can't stay here  
Well, maybe we've just had enough  
Well, maybe we ain't meant for this love You and me tried everything  
But still that mockingbird won't sing  
Well man, this life seems hard enough  
Well, maybe we ain't meant for this love  
Maybe you and me got lost somewhere  
We can't move or we can't stay here  
Well, maybe we've just had enough  
Well, maybe we ain't meant for this love You and me tried everything  
But still that mockingbird won't sing  
Well man, this life seems hard enough  
Well, maybe we ain't meant for this love Maybe we ain't meant for this love  
Maybe we ain't meant for this love
