

Innocent

Taylor Swift

I guess you really did it this time
Left yourself in your warpath
Lost your balance on a tightrope
Lost your mind tryin' to get it back Wasn't it easier in your lunchbox days?
Always a bigger bed to crawl into
Wasn't it beautiful when you believed in everything
And everybody believed in you? It's alright, just wait and see
Your string of lights is still bright to me
Oh, who you are is not where you've been
You're still an innocent, you're still an innocent Did some things you can't speak of
But at night you live it all again
You wouldn't be shattered on the floor now
If only you had seen what you know now then
Wasn't it easier in your firefly catchin' days?
And everything out of reach, someone bigger brought down to you
Wasn't it beautiful runnin' wild 'til you fell asleep
Before the monsters caught up to you? It's alright, just wait and see
Your string of lights is still bright to me
Oh, who you are is not where you've been
You're still an innocent It's okay, life is a tough crowd
32 and still growin' up now
Who you are is not what you did
You're still an innocent Time turns flames to embers, you'll have new Septembers
Everyone of us has messed up too
Minds change like the weather, I hope you remember
Today is never too late to be brand new
It's alright, just wait and see
Your string of lights is still bright to me
Oh, who you are is not where you've been
You're still an innocent
It's okay, life is a tough crowd
32 and still growin' up now
Who you are is not what you did
You're still an innocent, you're still an innocent
Lost your balance on a tightrope
It's never too late to get it back
