

A Whisper

Coldplay

A whisper, a whisper, a whisper, a whisper
A whisper, a whisper, a whisper, a whisper I hear the sound
Of the ticking of clocks
Remember your face and remember too
When you are wrong I hear the sound
Of the ticking of clocks
Come back and look for me, look for me
When I am lost
Just a whisper, a whisper, a whisper, a whisper
Just a whisper, a whisper, a whisper, a whisper Night turns to day
And I still have these questions
Please just refrain
Should I go forwards or backwards?
Night turns to day
And I still can't go back to you Just a whisper, a whisper, a whisper, a whisper
Just a whisper, a whisper, a whisper, a whisper
I hear the sound
Of the ticking of clocks
Remember your face and remember too
When you are wrong
I hear the sound
Of the ticking of clocks
Come back and look for me, look for me
When I am lost
Just a whisper, a whisper, a whisper, a whisper
Just a whisper, a whisper, a whisper, a whisper
