

Snake Eyes

Mumford & Sons

[Intro]

[Verse 1]

You hold it, in your hands
And let it flow, this cruelty
Of youth as you fall again
Alone, In the compromise of truth

[Chorus]

It's in the eyes
I can tell, you will always be danger
We had it tonight, why do you leave it open?

[Verse 2]

And the stakes remain too high
For this silent mind
And the shake, the lonely itch
That courses down my spine
To leave a love divine
Don't leave a love divine
Its a water tight excuse

[Chorus]

It's in the eyes
I can tell, you will always be danger
We had it tonight, why do you always seek absolution?
It's in the eyes
I can tell you will always be danger

[Verse 3]

How does the earth around your feet
Just slip away?
And the bandit that greets you in the night
With snake eyes, the most precious kind

[Chorus]

It's in the eyes!
I can tell, you will always be danger!
We had it tonight! Why do you always seek absolution?
It's in the eyes!

I can tell you will always be danger!

[Outro]
