

Glass Eyes

Radiohead

[Verse 1]

Hey, it's me, I just got off the train
A frightening place, the faces are concrete grey
And I'm wondering, should I turn around?
Buy another ticket? The panic is coming on strong
So cold, from the inside out
No great drama, message coming in
In the oh-so-smug glassy eyed light of day
Glassy eyed light of day

[Verse 2]

Where the path trails off and heads down the mountain
Through the dry bush, I don't know where it leads
And I don't really care
Where the path trails off and heads down the mountain
Through the dry bush, I don't know where it leads
And I don't really care

[Outro]

I feel this love to the core
I feel this love turn cold
