

Always

[blink-182](#)

[Verse 1: Tom DeLonge]

I've been here before a few times
And I'm quite aware we're dying
And your hands they shake with goodbyes
And I'll take you back if you'd have me
So here I am, I'm trying
So here I am, are you ready?

[Chorus: Tom]

Come on, let me hold you, touch you, feel you
Always
Kiss you, taste you all night
Always

[Verse 2: Tom]

And I'll miss your laugh, your smile
I'll admit I'm wrong if you tell me
I'm so sick of fights, I hate them
Let's start this again for real
So here I am, I'm trying
So here I am, are you ready?
So here I am, I'm trying
So here I am, are you ready?

[Chorus: Tom]

Come on, let me hold you, touch you, feel you
Always
Kiss you, taste you all night
Always
Come on, let me hold you, touch you, feel you
Always
Kiss you, taste you all night
Always

[Bridge: Tom]

I've been here before a few times
And I'm quite aware we're dying

[Chorus: Tom]

Come on, let me hold you, touch you, feel you

Always
Kiss you, taste you all night
Always
Come on, let me hold you, touch you, feel you
Always
Kiss you, taste you all night
Always

[Outro: Mark Hoppus]
Always
Always
