

Hands Up (feat. MC Ambush)

Hardwell & Afrojack

Throw your hands up while I kill the shit
Throw your hands up while I kill the shit
Throw your hands up while I kill the shit Throw your hands up while
Throw your hands up while
Throw your hands up while
Throw your hands up while
Throw your hands up while
Throw your hands up while
Throw your hands, throw your hands, throw your hands, throw your hands
Throw your hands, throw your hands, throw your hands, throw your hands
Throw your hands up while I kill the shit
Throw your hands up while I kill the shit
