

December Prayer

Idina Menzel

In the touch of a friend, in the breath of a child
In the eyes of a soldier coming home to his mother's grateful smile
In the sight of falling snow, and the memories it brings
In the season when you find some peace, in the simple tender things
Open your heart and look around, listen listen
Hear the song within the silence
See the beauty when there's nothing there
Sing a song within a silence that hope and love are everywhere
And when the quiet night is falling watch an angel dancing in the air
To the song, the song within the silence a December Prayer
A December Prayer
In the strength of your hand as it holds unto mine
And the promise that we're not alone in this place and time
In the gifts that you give I am humbled and amazed
Far beyond this day and time of year
We are in a state of grace
Open your heart and look around, listen listen
Hear the song within the silence
See the beauty when there's nothing there
Sing a song within a silence that hope and love are everywhere
And when the quiet night is falling watch an angel dancing in the air
To the song, the song within the silence a December Prayer
A December Prayer
Listen listen
Hear the song within the silence
See the beauty when there's nothing there
Sing a song within a silence that hope and love are everywhere
And when the quiet night is falling watch an angel dancing in the air
To the song, the song within the silence a December Prayer
A December Prayer
