

Jag Ghoomeya (Female)

Neha Bhasin

Na woh akhiyan ruhani kahin
Na woh chehra noorani kahin
Kahin dil wali baatein bhi na
Na woâ€¦sajriâ€¦jawani kahin

Jag ghoomeyaâ€¦thaare jaisa na koi

Na toh hansnaâ€¦rumaani kahin
Na toh khushboo suhani kahin
Na toh rangli adayein dekhin
Na toh pyari si nadaani kahin
Jaisa tu hai waisa rehna

Jag ghoomeya thaare jaisa na koi
Baarishon ke mausamon ki bheegi hariyali tu
Sardiyon me gaalon pe jo aati mere lali tu
Raaton ka sukoon
Raaton ka sukoon bhi hai
Subah ki azaan hai
Chahaton ki chaadaron mein kare rakhwali tu

Kabhi haq saare rakhta hai
Kabhi samjhe begaani kahin
Tu toh jaanta hai marke bhi
Mujhe aati hai nibhani kahin
Woh hi karna jo hai kehna

Jag ghoomeya thaare jaisa na koi

Apne naseebon mein yaa
Honsle ki baaton mein
Sukhon aur dukhon wali
Saari saugaaton mein

Sang tujhe rakhna hai
Sang tujhe rakhna hai
Tere sang rehna
Meri duniya mein bhi
Mere jazbaaton mein

Teri milti nishani kahin
Jo hai sabko dikhani kahin
Main toh jaanti hoon marke bhi
Tujhe aati hai nibhani kahin
Woh hi karna jo hai kehna

Jag ghoomeya thaare jaisa na koi
