

# Can't Raise a Man

K. Michelle

Can't raise a man...Listen...  
He got older, but never grew  
For his life, he can't tell the truth...  
How to love, he ain't got a clue  
Playin' games like he'll never lose you...Try to talk to him, can't get through  
Every day, he's a different dude...  
These are the signs of a grown-ass boy  
Better run for the hills - I'm just trying to keep it real...(You can't raise a man...) He's already  
grown, what you gonna do?  
You wonder why he (acts like a boy...) It's 'cause he wasn't raised right before you...  
Girl, you ain't never gonna change nobody -  
If he don't wanna, you can't make nobody  
'Cause you (can't raise a man...) No, no...  
Coming home any time at night  
Expecting you to let it ride...  
How many tears are you gonna cry?  
Playin' games like he'll never lose you...  
You know that the love is changed  
How many times he called you out your name?  
These are the signs of a grown-ass boy  
Better run for the hills - I'm just keeping it real!(You can't raise a man...) He's already grown,  
what you gonna do?  
You wonder why he (acts like a boy...) It's 'cause he wasn't raised right before you...Girl, you  
ain't never gonna change nobody -  
If he don't wanna, you can't make nobody  
You (can't raise a man...) No, no...  
Gonna take more than a miracle (A miracle...)  
To change him - just let him go; (Just let him go...)  
Tell me, when will you decide to do better with your life?  
If his momma couldn't do it, what makes you think  
You can train that boy to be a man? It's too late  
Better off letting him go  
No matter how hard you try, you can't raise...(Can't raise a man...) He's already grown, what  
you gonna do?  
You wonder why he (acts like a boy...) It's 'cause he wasn't raised right before you...  
Girl, you ain't never gonna change nobody -  
If he don't wanna, you can't make nobody  
(Can't raise a man...) No...Can't raise a man...
