

All of a Sudden

Josh Abbott Band

Time don't freeze
And the world goes 'around
What goes up
Must come down
But when you said you were gonna leave
I guess that's when it occurred to me

All of a sudden
I can't call you baby
All of a sudden
Our address ain't the same
All of a sudden
We ain't lovin'
All of a sudden
Everything changed
All of a sudden
Everything changed

I get off work
But I don't go home
Ain't in a hurry
To be alone
No dinner dates, no movie nights
Man I'm livin' a whole new life

All of a sudden
I can't call you baby
All of a sudden
Our address ain't the same
All of a sudden
We ain't lovin'
All of a sudden
Everything changed
All of a sudden
Everything changed

You head your warnings
I kept ignoring
I guess I didn't know what I really had

All of a sudden
Can't call you baby
All of a sudden
Our address ain't the same
All of a sudden
We ain't lovin'
All of a sudden
Everything changed
All of a sudden
Everything changed

All of a sudden
I can't call you baby
All of a sudden
Our address ain't the same
All of a sudden
We ain't lovin'
All of a sudden
Everything changed
All of a sudden
Everything changed
