

Feel It

The Black Eyed Peas

[Intro: Fergie]

Can you feel the hy-y-y-type?

[Chorus: will.i.am & Fergie]

Can you feel it in your body-ah

(Can you feel it)

Can you feel it in your body-ah

(Can you feel it)

Coz I can feel it in my body-ah

(I can feel it)

It feels good to my body-ah

To my body, in my body-ah

(Can you feel it)

Can you feel it in your body-ah

(Can you feel it)

Coz I can feel it in my body-ah

(I can feel it)

It feels good to my body-ah

[Bridge: apl.de.ap & will.i.am]

We gonna make y'all feel it

Make y'all feel it

Make y'all wanna jam

Fellas in the place just clap your hands

Ladies in the house just grab a man

We gonna make y'all feel it

Make y'all feel it

Make y'all wanna move

Lades in the place just show 'em proof

Fellas in the house you know what to do

[Verse 2: apl.de.ap]

We gonna make y'all feel it in a special way

An event full of action and exposÃ©

Ladies in the club looking ready to play

And I'm waiting for the right one to pass my way

And in the mean time I'm about to roll up The Hague

We got drinks on the table, tied up our lay

And it's time to unwind if you've had a low day

And ladies, I got something to say

[Chorus: will.i.am & Fergie]
Can you feel it in your body-ah
(Can you feel it)
Can you feel it in your body-ah
(Can you feel it)
Coz I can feel it in my body-ah
(I can feel it)
It feels good to my body-ah
To my body, in my body-ah
(Can you feel it)
Can you feel it in your body-ah
(Can you feel it)
Coz I can feel it in my body-ah
(I can feel it)
It feels good to my body-ah

[Bridge: Taboo & will.i.am]
We gonna make y'all feel it
Make y'all feel it
Make y'all wanna jam
Fellas in the place just clap your hands
Ladies in the house just grab a man
We gonna make y'all feel it
Make y'all feel it
Make y'all wanna move
Lades in the place just show 'em proof
Fellas in the house you know what to do

[Verse 2: will.i.am]
Feel the vibration of the bass charm
Put your head on the speaker, get your face blown
Get up on the floor, get your dance on
Coz your backbone's connected to your ass, go on
The ladies all dressed in high fashion (hot!)
Dancing all sexy with passion
Honey, if you don't mind me asking
Can you feel all that bass in that ass, hun?

[Chorus: will.i.am & Fergie]
Can you feel it in your body-ah
(Can you feel it)
Can you feel it in your body-ah
(Can you feel it)
Coz I can feel it in my body-ah
(I can feel it)
It feels good to my body-ah
To my body, in my body-ah

(Can you feel it)
Can you feel it in your body-ah
(Can you feel it)
Coz I can feel it in my body-ah
(I can feel it)
It feels good to my body-ah

[Verse 3: Taboo]
This is it (this is it)
Gotta keep 'em moving (don't stop) (don't stop)
Once you get movin, don't quit (don't quit)
Next thing you know, you on top (you on top)
So hop to the rhythm that we (drop) (drop)
Get loose and express what you got (what you got)
At least you gotta give yourself a shot (a shot)
Hey never give up and gimme what you got

[Fergie & will.i.am]
Can you feel the hy-y-y-type?
I can feel the hy-y-y-type
Can you feel the hy-y-y-type?
I can feel the hy-y-y-type
