

Wit It This Christmas

Ariana Grande

Come and kiss me, baby
We don't need no mistletoe
We don't need no fireplace
Boy, I'll keep you nice and warm
Are you down for some of these milk and cookies?
Down for loving, you'll be my drummer boy
And I'm the only drum that you gonna play
'Tis the season for some love giving
So I think you should give your love to me
Baby, let me know
Are you with it? Are you with it?
Are you with it this Christmas? (Baby, let me know)
Are you with it? Are you with it?
Are you with it this Christmas?
We don't need no presents, we don't need the kitchen
We don't need them recipes
You know I'm tasty like a candy cane or gingerbread
I'm made with love
Are you down for some of these milk and cookies?
Down for loving, you'll be my drummer boy
And I'm the only drum that you gonna play
'Tis the season for some love giving
So I think you should give your love to me
Baby, let me know
Are you with it? Are you with it?
Are you with it this Christmas? (Baby, let me know)
Are you with it? Are you with it?
Are you with it this Christmas?
