

February 2017 (feat. Clairo & Yaeji)

Charli XCX

Oh, yeah, yeah, yeah, yeah, yeah, yeah
Oh, yeah, yeah, yeah, yeah, yeah, yeah
Yeah I know I keep on saying I'm alright
But every single night
When I cut off the lights
I feel like crying
Your picture revolving in my mind
But then it turns to white
I guess I'm going blind
I feel like crying
Hope you can forgive all of my crimes
You read but won't reply
I just need your reply
I feel like crying
Baby all I need is a single night
A sign, a sign
Give me a sign
Sorry I broke you down
Sorry I tore your heart
I ripped it all apart
Your headlights in the dark
Sorry about Grammy night
Was flyin' out my mind
Was in a different place
Tortured and drifting by
Kept dancing in that house
The windows turned to black
My windows turned to black
My eyes were rolling back, yeah
Hope I get one more chance
Hope I get one more call
I only know what's good once I have lost it all
Lost it all, lost it all, lost it all
Lost it all, lost it all, lost it all
You can't forgive the things I've done
(Things I've done, things I've done)
You can't forgive the things I've done
(Things I've done, things I've done)
You can't forgive the things I've done
(Things I've done, things I've done)
You can't forgive the things I've done
(Things I've done, things I've done)

Reply, reply
Give me a sign
Yeah
