

Rachael

Buffalo Tom

Rachael Thelmy is not very sure
A little girl inside her uniform
But aren't you really just a penny whore?
Rachael tell me what I'm waiting for Right now! Right now! Right now
Right now! Right now! Right now Rachael tell me what I'm waiting for
About the school yards and the uniforms
Rachael tell me why your sky is red
How you picked up all these crazy men? Right now! Right now! Right now
Right now! Right now! Right now
Rachee Rachael
(Rachee Rachael)
Rachee Rachael
(Rachee Rachael)
(Ooo ooh)
Rachael tell me what I'm waiting for
(Ooo ooh)
Rachael tell me what I'm waiting for It's just a playground
(Rachael tell me what I'm waiting for)
It's just a let down
(Rachael tell me what I'm waiting for)
It's just a playground, yea
(Rachael tell me what I'm waiting for)
Rachael But aren't you really just a penny whore?
Rachael tell me what I'm waiting for
Right now! Right now! Right now
Right now! Right now! Right now Rachee Rachael
(Rachee Rachael)
Rachee Rachael
(Rachee Rachael)
(Ooo ooh)
Rachael tell me what I'm waiting for
(Ooo ooh)
Rachael tell me what I'm waiting for (Ooo ooh)
Rachael tell me what I'm waiting for
(Ooo ooh)
Rachael tell me what I'm waiting for
