

# Are You Lonely (feat. ISÁK)

Steve Aoki & Alan Walker

I know that you're calling me  
To light up and let the shadow  
It follows you underneath I know that you're calling me I don't wanna play it safe  
'Cause I don't get down like that  
Just keep falling into me  
I know I got your back Are you lonely  
Are you lonely  
Are you lonely  
I'll stand by you  
I'll stand by you  
Are you lonely  
Are you lonely  
Are you lonely  
I'll stand by you  
I'll stand by you Who ever said it was easy  
They never know or do  
Oh when these walls fall down  
I'll stand by you  
What you believe in  
I'll give it to you  
'Cause when these walls fall down  
I'll stand by you Are you lonely  
Are you lonely  
Are you lonely  
I'll stand by you  
I'll stand by you  
Are you lonely  
Are you lonely  
Are you lonely  
I'll stand by you  
I'll stand by you
