Blake Shelton

Another summer day  
Has come and gone away  
In Paris and Rome  
But I wanna go home Maybe surrounded by  
A million people  
I Still feel all alone  
I just wanna go home  
Oh, I miss you, you know And I've been keeping all the letters that  
I wrote to you  
Each one a line or two "I'm fine baby, how are you?"  
Well I would send them but I know that it's just not enough  
My words were cold and flat And you deserve more than that  
Another airplane  
Another sunny place I'm lucky I know  
But I wanna go home I've got to go home Let me go home I'm just too far  
From where you are I wanna come home And I feel just like I'm living someone else's life  
It's like I just stepped outside  
When everything was going right  
And I know just why you could not  
Come along with me  
This was not your dream  
But you always believed in me Another winter day has come  
And gone away  
And even Paris and Rome  
And I wanna go home  
Let me go home  
And I'm surrounded by  
A million people  
I Still feel alone And  
I wanna go home  
I miss you, you know  
Let me go home I've had my run  
Baby, I'm done I'm coming back home Let me go home  
It will all be alright  
I'll be home tonight  
I'm coming back home
