

Pretender (Acoustic)

AJR

[Verse 1: Jack Met]

I'm a good pretender
Won't you come see my show?
I've got lots of problems
Well, good thing nobody knows

[Pre-Chorus: Jack Met]

Oh, I'm insecure, I'm insecure
I think I like what I'm supposed to
Like what I'm supposed to
I don't even mess with drugs
I do that 'cause you say it's dope to
You say it's dope to

[Chorus: AJR]

I'm a good pretender
I'm not really cool
I'm a good pretender
'Cause I'm just like you
I do not belong here
You all clearly do
But I'm a good pretender
So I'm just like

[Post-Chorus: AJR]

I'm a good pretender
I'm a good pretender

[Verse 2: Jack Met]

I'm a good pretender
All emotions in sync
Don't you think I'm clever
We laugh at all the same things

[Pre-Chorus: Jack Met]

Oh, I'm insecure, I'm insecure
I think I like what I'm supposed to
Like what I'm supposed to
I don't even mess with drugs
I do that 'cause you say it's dope to

You say it is dope to

[Chorus: AJR]

I'm a good pretender
I'm not really cool
I'm a good pretender
'Cause I'm just like you
I do not belong here
You all clearly do
But I'm a good pretender
So I'm just like

[Post-Chorus: AJR]

I'm a good pretender
I'm a good pretender

[Outro:]

I'm just like you, do you like me too?
Now I'm just like you
I'm a good pretender
