## Glass Animals

[Intro]

I wanna make it right  
I wanna make you cry

[Pre-Chorus]

I follow suit, I follow suit  
I follow suit, I follow  
I follow suit, I follow suit  
I follow suit, I follow

[Chorus]

Stop swaying windy mover shaking down  
Makes Mama turn her hands and flip around  
Backlashing with a bullet full of love  
Makes Papa wanna chrome up his old truck  
Stop swaying windy mover shaking down  
Makes Mama turn her hands and flip around  
Backlashing with a bullet full of love  
Makes Papa wanna chrome up his old truck  
Stop swaying windy mover shaking down  
Makes Mama turn her hands and flip around  
Backlashing with a bullet full of love  
Makes Papa wanna chrome up his old truck  
Stop swaying windy mover shaking down  
Makes Mama turn her hands and flip around  
Backlashing with a bullet full of love  
Makes Papa wanna chrome up his old truck  
Stop swaying windy mover shaking down  
Makes Mama turn her hands and flip around  
Backlashing with a bullet full of love  
Makes Papa wanna chrome up his old truck

[Outro]

I follow suit, I follow suit  
I follow suit, I follow  
I follow suit, I follow suit  
I follow suit, I follow  
I follow suit, I follow suit

I follow suit, I follow
