Too Much to Ask

[Avril Lavigne](#)

It's the first time I've ever felt this lonely
I wish someone could cure this pain
It's funny when you think it's gonna work out
'Til ya chose weed over me, you're so lameI thought you were cool until the point
Up until the point
You didn't call me when you said you would
Finally figured out you're all the same
Always coming up with some kind of storyEvery time I try to make you smile
You're always feelin' sorry for yourself
Every time I try to make you laugh
You can't, you're too tough
You think you're loveless
Is that too much that I'm askin for?
Thought you'd come around when I ignored you
Sorta thought you'd have the decency to change
But babe, I guess you didn't take that warning
'Cause I'm not about, to look at your face againCan't you see that you lie to yourself?
You can't see the world through a mirror
It won't be too late when the smoke clears
'Cause I, I am still hereBut every time I try to make you smile
You always go on feeling sorry for yourself
Every time I try to make you laugh
You stand like a stone
Alone in your zone
Is that too much that I'm askin for?Yeah, yeah, yeah, yeah
Can't find where I am
Lying here, alone in fear
Afraid of the dark, no one to claim
Alone againYeah, yeah, yeah, yeahCan't you see that you lie to yourself?
You can't see the world through a mirror
It won't be too late when the smoke clears
'Cause I, I am still hereEvery time I try to make you smile
You're always feeling sorry for yourself
Every time I try to make you laugh
You can't, you're too tough
You think your loveless
It was too much that I asked him for?
