

# Comfortable

Lauv

Wait in here wrapped in and trying not to fight again  
'Cause I've been holding too long just to let it end  
Girl, you must be walking on eggshells  
Trying not to sell myself out  
I bet that's what she's thinking,  
That's when she said, that's when she said Do you want it bad?  
Do you want it bad?  
Do you want it bad?  
Yeah, she said  
Baby, do you?  
Are you just comfortable.  
Do you want it bad?  
Do you want it bad?  
Do you want it bad?  
Yeah, she said  
Baby, do you?  
Are you just comfortable. Try my best to show appreciation, oh, yeah  
But my apologies are just missed communication  
Now it's like I'm walking on egg shells  
Try not to burn the hell out,  
It's like pulling magic through my mouth  
That's when she said, that's when she said Do you want it bad?  
Do you want it bad?  
Do you want it bad?  
Yeah, she said  
Baby, do you?  
Are you just comfortable.  
Could I ever do enough to make this coffee more than bitter water?  
Could I ever do enough to make you hate this love not like a color  
Could I ever do enough to make you feel the way I want to feel  
So, the next time that's what she said to you Do you want it bad?
