

On the Line (feat. Jonas Brothers)

Demi Lovato & Jonas Brothers

I didn't want to say I'm sorry
For breaking us apart
I didn't want to say it was my fault
Even though I knew it was
I didn't want to call you back
Cause I knew that I was wrong
Yeah, I knew I was wrong
One in the same, never to change
Our love was beautiful
We got it all
Destined to fall
Our love was tragical
Wanted to call
No need to fight
You know I wouldn't lie
But tonight, we'll leave it on the line
Listen baby!
Never would've said forever
If I knew we'd end so fast
Why did you say I love you
If you knew that it wouldn't last?
Baby, I just can't hear what you're saying
The line is breaking up
Or is that just us?
Or is that just us?!
One in the same, never to change
Our love was beautiful
We got it all
Destined to fall
Our love was tragical
Wanted to call
no need to fight
You know I wouldn't lie
But tonight, we'll leave it on the line
Tried to call again and get in your mailbox
Like a letter left unread
Apologies are often open-ended
But this one's better left unsaid
One in the same, never to change
Our love was beautiful
We got it all
Destined to fall
Our love was tragical
Wanted to call
No need to fight

You know I wouldn't lie
But tonight, we'll leave in on the line
We'll leave in on the line
(yeah, oh yeah)

We'll leave in on the line tonight.
