

Zack and Codeine

Post Malone

Man, my life so sweet, I feel like Cody (Cody)
I wake up, rinse my mouth with fuckin' codeine (codeine)
Thirty bottles, yeah, the bill is on me (on me)
Been livin' fast, no, I can't take it slowly (slowly) Man, my life so sweet, I feel like Cody (Cody)
I wake up, rinse my mouth with fuckin' codeine (codeine)
We on a bender, we ain't gettin' no sleep (no sleep)
We turned the hotel lobby to a party I'm whippin' a foreign, I can't whip no Beetle
I rock that Saint Laurent over my beater
I like to stunt like I'm Evel Knievel (ooh)
But it don't mean nothin' without all my people
When I step up on stage, hands up to the sky
Every little thing I do, they always analyze
Gave that bitch a little blow and then she come alive
Started dancin' on the table like she had on mine I don't fuck with nobody, yeah, you hardly
know me
What you take me for? No, I can't save you soul
I don't fuck with nobody, yeah, you hardly know me
Please just leave me alone Man, my life so sweet, I feel like Cody (Cody)
I wake up, rinse my mouth with fuckin' codeine (codeine)
Thirty bottles, yeah, the bill is on me (on me)
Been livin' fast, no, I can't take it slowly (slowly) Man, my life so sweet, I feel like Cody (Cody)
I wake up, rinse my mouth with fuckin' codeine (codeine)
We on a bender, we ain't gettin' no sleep (no sleep)
We turned the hotel lobby to a party
Made a hundred bands so all your hands out
No, my friend, can't do no handouts
All these rappers, they sound the same now
Sayin' I'm to blame, now y'all see me on the TV
Multimillionaire by the time I'm 23
Gettin' no sleep, ragin' for a week
I hit number one and I ain't even hit my peak
I just had to tell 'em I don't fuck with nobody, yeah, you hardly know me
What you take me for? No, I can't save you soul
I don't fuck with nobody, yeah, you hardly know me
Please just leave me alone Man, my life so sweet, I feel like Cody (Cody)
I wake up, rinse my mouth with fuckin' codeine (codeine)
Thirty bottles, yeah, the bill is on me (on me)
Been livin' fast, no, I can't take it slowly (slowly) Man, my life so sweet, I feel like Cody (Cody)
I wake up, rinse my mouth with fuckin' codeine (codeine)
We on a bender, we ain't gettin' no sleep (no sleep)
We turned the hotel lobby to a party We ain't sleepin', we ain't sleepin', we ain't
We ain't sleepin', we ain't sleepin' tonight

We ain't sleepin', we ain't sleepin', no way
Pour that drink 'cause we ain't sleepin' tonight
