## Hard to Do

## K. Michelle

I've been thinking bout ya Are you thinking bout me? I know I went crazy But you were wrongI apologize, I'll let it go tonight Forgive me and I'll forgive youCause what you gon' do When I put that pretty thing on you I usually don't do this But I'll do it for you Oh, baby cause... Missing you is way too hard to do I'd rather be fucking you Do you mind if I give you love Cause I just wanna give you love Won't you tell me if I'm doing too much Missing you is way too hard to doLately I've been in my feelings Dealing with the daily thoughts of missing you I ain't dialing but my body's calling for ya Breaking down... Gotta give it to you Cause what you gon' do When I put that pretty thing on you I usually don't do this But I'll do it for you Oh, baby cause... Missing you is way too hard to do I'd rather be fucking you Do you mind if I give you love Cause I just wanna give you love Won't you tell me if I'm doing too much Missing you is way too hard to do Don't get along all the time Just want your body on mine And you can call it what you wanna But I'm a call you when I want it Fishnets and trench coats Underneath, it's a bomb American's most wanted
