

Some Things Never Change

**Kristen Bell, Idina Menzel, Josh Gad, Jonathan Groff & Cast
of Frozen 2**

Yes, the wind blows a little bit colder
And we're all getting older
And the clouds are moving on with every autumn breeze
Peter Pumpkin just became fertilizer
And my leaf's a little sadder and wiser
That's why I rely on certain certainties
Yes, some things never change
Like the feel of your hand in mine
Some things stay the same
Like how we get along just fine
Like an old stone wall that'll never fall
Some things are always true
Some things never change
Like how I'm holding on tight to you
The leaves are already falling
Sven, it feels like the future is calling
Are you telling me tonight you're gonna get down on one knee?
Yeah bud, I'm really bad at planning these things out
Like candlelight and pulling of rings out
Maybe you should leave all the romantic stuff to me
Yeah, some things never change
Like the love that I feel for her
Some things stay the same
Like how reindeers are easier
But if I commit and I go for it
I'll know what to say and do
Right?!
Some things never change
Sven, the pressure is all on you
The winds are restless
Could that be why I'm hearing this call?
Is something coming?
I'm not sure I want things to change at all
These days are precious
Can't let them slip away
I can't freeze this moment
But I can still go out and seize this day
Ah ah ah ah ah ah
The wind blows a little bit colder
And you all look a little bit older
It's time to count our blessings
Beneath an autumn sky
We're always living the kingdom plenty
That stands for the good of the many
And I promise you the flag of Arendelle will always fly
Our flag will always fly
Our flag will always fly
Some things never change

Turn around and the time has flown
Some things stay the same
Though the future remains unknown
May our good luck last
May our past be past
Time's moving fast, it's true
Some things never change And I'm holding on tight to you
Holding on tight to you
Holding on tight to you
Holding on tight to you
I'm holding on tight to you
