

The Doors Sing "Reading Rainbow"

Jimmy Fallon

Butterfly in the sky
I can go twice as high
Take a look
It's in a book
A reading rainbow
A reading rainbow I can go anywhere
I can go anywhere
Friends to know
And ways to grow
A reading rainbow
A reading rainbow
Yeah!
The indian in the cupboard
There's a monster
There's a monster
At the end of this book
Goodnight moon
Goodnight stars
Goodnight air
Goodnight noises everywhere
Well, there's a rocket in my pocket
And Horten hears a who
A very hungry caterpillar's on the loose
Oh yeah!
Butterfly in the sky
I can go twice as high
Take a look
It's in a book
A reading rainbow
A reading rainbow
A reading rainbow
A reading rainbow
Yeah!
