

# Like a Champion

Selena Gomez

Walk like a champion  
Talk like a champion  
Rum pa pa pum pum  
Rum pa pa pum pum Walk like a champion  
Talk like a champion  
Rum pa pa pum pum  
Rum, rum pa pa pum pum Tonight we come alive  
Stand up coz ya got that pride  
Dancin' and the sweat don't dry  
One shot so baby hit it right  
No doubt coz we young and free  
Walk like ya run the city  
Write your name in the sky  
Live it up coz baby it's your time  
It's in the way you hold yourself  
You gotta know you're somethin' else  
And show 'em that you never felt so sexy sexy sexy Walk like a champion  
Talk like a champion  
Rum pa pa pum pum  
Rum pa pa pum pum Walk like a champion  
Talk like a champion  
Rum pa pa pum pum  
Rum, rum pa pa pum pum Walk like a champion  
Talk like a champion  
Rum pa pa pum pum  
Rum pa pa pum pum Walk like a champion  
Talk like a champion  
Rum pa pa pum pum  
We got nothin' to lose  
We got nothin' to prove  
Shine like diamonds in the sky  
Live it up coz baby it's your time It's in the way you hold yourself  
You gotta know you're somethin' else  
And show 'em that you never felt so sexy sexy sexy Walk like a champion  
Talk like a champion  
Rum pa pa pum pum  
Rum pa pa pum pum Walk like a champion  
Talk like a champion  
Rum pa pa pum pum
