

Waiting (feat. Noah Cyrus)

Jake Bugg

[Verse 1: Jake Bugg & Noah Cyrus]

All the time before I knew you
Seems now so long
And I cannot explain
Even if I try
No, you never make it easy
Know it's hard to be strong
But all in good time
I can wait

[Chorus: Both, Noah Cyrus & Jake Bugg]

I'll be waiting
I'll be waiting
For I cannot explain
Even if I try
When you're leaving
I'll be waiting
For I cannot refuse you

I've tried [Verse 2: Jake Bugg & Noah Cyrus]

All the years spent together
Slowly aging on
And I wonder just what's wrong
Are you tired?

[Chorus: Jake Bugg, Both & Noah Cyrus]

I'll be waiting
I'll be waiting
For I cannot explain
Even if I try
When you're leaving
Lord knows I'll be waiting
For I cannot refuse you
I've tried
