What You Waiting For?

Gwen Stefani

Tick-tockTick-tock
Tick-tock, tick-tockTick-tock, tick-tock
Tick-tock, tick-tock
La la la la la la la
I'm like a cat-in-heat stuck in a moving car
A scary conversation, shut my eyes, can't find the brakeWhat if they say that you're a climber?
Naturally I'm worried if I do it alone
Who really cares 'cause it's your life
You never know, it could be great
Take a chance 'cause you might grow
Oh, uh oh
What you waiting, what you waiting, what you waiting
What you waiting, what you waiting for?
What you waiting, what you waiting, what you waiting
What you waiting, what you waiting for?
Tick-tock, tick-tockTick-tock, tick-tock
Take a chance you stupid hoe
Like an echo pedal, you're repeating yourself
You know it all by heart
Why are you standing in one place?Born to blossom, bloom to perish
Your moment will run out 'cause of your sex chromosomeI know it's so messed up how our
society all thinks
Life is short, you're capable
Oh, uh oh
Look at your watch now
You're still a super hot female
You got your million dollar contract
And they're all waiting for your hot track
What you waiting, what you waiting, what you waiting
What you waiting, what you waiting for?
What you waiting, what you waiting, what you waiting
What you waiting, what you waiting for?I can't wait to go
Back into Japan
Get me lots of brand new fans
Osaka, Tokyo
You Harajuku girlsDamn, you've got some wicked style
Go
Look at your watch now
You're still a super hot female
You got your million dollar contractAnd they're all waiting for your hot track
What you waiting, what you waiting, what you waiting
What you waiting, what you waiting for?

What you waiting, what you waiting, what you waiting
What you waiting, what you waiting for?
What you waiting for? what you waiting for?
Take a chance you stupid hoe
Take a chance you stupid hoe
Take a chance you stupid hoe
Take a chance you stupid hoe.
