Miracles

Coldplay

From up above I heard
The angels sing to me these words
And sometimes, in your eyes
I see the beauty in the worldOh, now I'm floating so high
I blossom and die
Send your storm and your lightning to strike
Me between the eyes

Eyes Oh!

Sometimes the stars decide to reflect in puddles in the dirt When I look in your eyesI forget all about what hurts Oh, now I am floating so high I blossom and die.

Send your storm and your lightning to strike
Me between the eyesAnd cry
(Believe in miracles)

Oh hey I'm floating above the world now Oh hey I'm floating above the world now

> Oh yeah, yeah, yeah Oh yeah, yeah, yeah
