

Old Hat

Jon Pardi

[Verse 1]

These days, they call you crazy
If you hold the door for a lady
If you don't call her "girl" 'stead of "baby"
You're out of style, obsolete
If you seal a deal with a handshake
Sit down for a meal and you still pray
If a promise is somethin' you don't break
You're the last of a dyin' breed

[Chorus]

When did old fashioned become so out of fashion?
When did we go out with the old, in with the new?
And you can bet your ass there's a lot of us ol' cats
Wearin' old boots and old hats
That ain't ready to give old hat the boot

[Verse 2]

We ain't afraid to work in the hot sun
We can finish a fight, but won't start one
We don't ever forget where we came from
We've got a degree in the old school
For all that I've learned, I wish that I knew

[Chorus]

When did old fashioned become so out of fashion?
When did we go out with the old, in with the new?
And you can bet your ass there's a lot of us ol' cats
Wearin' old boots and old hats
That ain't ready to give old hat the boot

[Instrumental]

[Chorus]

I say old fashioned don't go out of fashion, no
You don't have to throw all of the old out for the new
And you can bet your ass there's a lot of us ol' cats
Wearin' old boots and old hats
That ain't ready to give old hat the boot
Yeah, there's a lot of us old hats

That ain't ready to give old hat the boot
