Praise You in This Storm

Casting Crowns

I was sure by now God You would have reached down And wiped our tears away, stepped in and saved the day But once again, I say, Amen and it's still rainingAs the thunder rolls I barely hear Your whisper through the rain, "I'm with you" And as Your mercy falls I raise my hands And praise the God who gives and takes awayAnd I'll praise You in this storm and I will lift my hands For You are who You are no matter where I am And every tear I've cried You hold in Your hand You never left my side and though my heart is torn I will praise You in this storm I remember when I stumbled in the wind You heard my cry, You raised me up again But my strength is almost gone How can I carry on if I can't find YouAs the thunder rolls I barely hear Your whisper through the rain, "I'm with you" And as You mercy falls I raise my hands And praise the God who gives and takes awayAnd I'll praise You in this storm and I will lift my hands For You are who You are no matter where I am And every tear I've cried You hold in Your hand You never left my side and though my heart is torn I will praise You in this stormI lift my eyes unto the hills Where does my help come from? My help comes from the Lord The Maker of Heaven and Earth I lift my eyes unto the hills Where does my help come from? My help comes from the Lord The Maker of Heaven and Earth And I'll praise You in this storm and I will lift my hands For You are who You are no matter where I am And every tear I've cried You hold in Your hand You never left my side and though my heart is torn I will praise You in this storm And though my heart is torn I will praise You in this storm
