

# Enemies

## Bali Baby

[Intro]

You know who the fuck it is  
You know what the fuck going on

[Verse 1]

These bitches my enemies, not on my level so they just pretend to be  
Me and the music have really great chemistry  
Presidential but won't end up like Kennedy  
Sucking dick so she is hoeing mentally  
Crossed over lil bitch that's a penalty  
Yeah where yo identity?  
Lil' bitch yeah you is just a parody  
Hating, want the recipe Plankton  
All this ice bitch im skatin'  
All that talkin' bitch you faking  
In head of the line like I'm playin'  
She shooting shit, but she grazing  
She dried up like a raisin  
I'm dancing with Satan  
My niggas pull up and spraying

[Hook]

Enemies  
These bitches my enemies  
Yes, why do you envy me?  
All in my face, but that is my frenemy  
Enemies  
These bitches my enemies  
Yes, why do you envy me?  
Cause I am the MVP  
These bitches my enemies

[Post Hook]

Bitches really love me  
Bitches really love me  
Yes, why do you envy me?  
These bitches really love me  
Enemies  
Bitch why do you envy me?  
Hah

She all in my face but that is my frenemy  
Bitch you are my enemy  
Bitches really love me  
Bitches really love me  
Oh, they love me  
These bitches really love me

[Bridge]  
Bitches wait and see me  
You better fucking act out  
Yeah ball me Lil' Wacka  
Cause you know I bring them racks out

[Hook]  
Enemies  
These bitches my enemies  
Yes, why do you envy me?  
All in my face, but that is my frenemy  
Enemies  
These bitches my enemies  
Yes, why do you envy me?  
Cause I am the MVP  
These bitches my enemies

[Post Hook]  
Bitches really love me  
Bitches really love me  
Yes, why do you envy me?  
These bitches really love me  
Enemies  
Bitch why do you envy me?  
Hah  
She all in my face but that is my frenemy  
Bitch why you my enemy?

[Verse 2]  
I tried to show them love  
When I knew they was hating  
Now I won't show them no love  
'Less I know they is paying  
And you know you dugged the hole  
So you know where you laying  
You better be praying  
Cause you know I cost a million  
There ain't no taming  
No completion and you gaming  
Pointing fingers and they naming  
On the beat and I'm changing  
This shit to easy bitch I'm playing

Fire spitting and you know there's no slaying  
Got the beam, but you know it's still aiming  
Talking shit, but bitch what are you gaining?

[Bridge]

Bitches when you see me, you better fucking act out  
And yes I'm baby Mayweather, cause I beat the pack out  
And we bring the mac's out  
Switched up so she wack now  
Big boss, I don't back down  
You teaming up but I got rounds  
You bitches really love me  
Bitches really love me  
Haha  
You bitches wanna touch me  
You really wanna touch me  
Haha  
Yeah you bitches fucking love me

[Hook]

E-enemies  
These bitches my enemies  
Yes, why do you envy me?  
All in my face but that is my frenemy  
Enemies  
These bitches my enemies  
Yes, why do you envy me?  
Cause I am the MVP
