

# All the Way

Jacob Bryant

Pretty day, pretty girl  
Truck cleaned up, gonna take her 'round the world  
About the only thing that gets to me these days  
Is her smilin' face  
She don't even know, what she does to me  
No she don't even know, how she makes me believe  
That it's gonna be okay when life gets crazy

'Cause she's that ring in the window, I'm gonna buy someday  
She's the warmth in my soul every breath I take  
I've got her heart in my hands  
And I'm gonna be the man, the one who stays  
'Cause she makes me wanna go All The Way

I bet her dad and her mama, can already see  
Where this thing is goin and how much she means to me  
And I'm gonna be that one that takes her hand

'Cause she's that ring in the window, I'm gonna buy someday  
She's the warmth in my soul every breath I take  
I've got her heart in my hands  
And I'm gonna be the man, the one who stays  
'Cause she makes me wanna go All The Way

Yeah  
As the years go by, I'm gonna be by her side for the rest of my life

She's that ring in the window, I'm gonna buy someday  
She's the warmth in my soul every breath I take  
I've got her heart in my hands  
And I'm gonna be the man, the one who stays  
'Cause she makes me wanna go-  
Yeah she makes me, wanna go All The Way...
