

# Mutual

## Shawn Mendes

[Verse 1]

I want you close to me  
I want you close, I want you closer  
But when you're here with me  
It's hard to tell just what you're after[Pre-Chorus]  
You say, you want all of me today  
But tomorrow's not the same  
My feelings never change  
What do you want from me?  
What do you want, uh?

[Chorus]

I need to know  
If this is mutual  
Before I go  
And get way too involved  
I want you bad  
Can you reciprocate?  
No, I don't want to have to leave  
But half of you's not enough for me[Verse 2]  
This inconsistency, what does it mean?  
You got me questioning, the way you act and take it back  
Do I mean anything?  
Just tell me honestly

[Pre-Chorus]

You say, you want all of me today  
But tomorrow's not the same  
My feelings never change  
What do you want from me?  
What do you want, uh?[Chorus]  
I need to know  
If this is mutual  
Before I go  
And get way too involved  
I want you bad  
Can you reciprocate?  
No, I don't want to have to leave  
But half of you's not enough for me[Bridge]  
Are you playin' me, is this a game?  
When you show up late, say love at 2 A.M  
Then tell me you can't stay, girl, yeah  
What do you want from me?  
Baby, oh[Chorus]

I need to know  
If this is mutual  
Before I go  
And get way too involved  
I want you bad, baby  
Can you reciprocate?  
No, I don't want to have to leave  
But half of you's not enough for me
