

# First Time

## Kygo & Ellie Goulding

We were lovers for the first time  
Running all the red lights  
The middle finger was our peace sign, yeah  
We were sipping on emotions  
Smoking and inhaling every moment  
It was reckless and we owned it, yeah, yeah We were high and we were sober  
We were under, we were over  
We were young and now I'm older  
But I'd do it all again  
Getting drunk on a train track  
Way back, when we tried our first cigarettes  
Ten dollars was a fat stack  
I'd do it all again  
Bought my jacket and a snapback  
Your dad's black Honda was a Maybach  
Three stacks on the playback  
I'd do it all again We were lovers on a wild ride  
Speeding for the finish line  
Come until the end of our time, yeah  
Started off as a wildfire, burning down the bridges to our empire  
Our love was something they could admire, yeah, yeah We were high and we were sober  
We were under, we were over  
We were young and now I'm older  
But I'd do it all again  
Getting drunk on a train track  
Way back, when we tried our first cigarettes  
Ten dollars was a fat stack  
I'd do it all again  
Bought my jacket and a snapback  
Your dad's black Honda was a Maybach  
Three stacks on the playback  
I'd do it all again Stack stack, stack stack, oh oh... Speed speed, speed speed oh oh...  
Stack stack, stack stack, oh oh...  
Speed speed, speed speed oh oh...  
Stack stack, stack stack, oh oh...  
Speed speed, speed speed oh oh...  
Stack stack, stack stack, oh oh...  
Speed speed, speed speed oh oh...  
Stack stack, stack stack, oh oh...
