What are you looking at? Strike the pose  
Strike the pose Vogue Vogue Vogue  
Vogue Vogue Vogue Look around everywhere you turn is heartache  
It's everywhere that you go...  
(look around)  
You try everything you can to escape  
The pain of life that you know  
(life that you know)  
When all else fails and you long to be  
Something better than you are today  
I know a place where you can get away  
It's called a dance floor and here's what it's for so  
Come on Vogue  
Vogue Let your body move to the music  
(move to the music) Hey hey hey  
Come on Vogue  
Vogue  
Let your body go with the flow  
(go with the flow) You know you can do it  
All you need is your own imagination  
So use it that's what it's for  
(that's what it's for)  
Go inside for your finest inspiration  
Your dreams will open the door  
(open up the door)  
It makes no difference if your black or white  
If your a boy or a girl  
If the music's pumpin' it will give you new life  
You're a superstar  
Yes that's what you are you know it  
Come on Vogue Vogue
