Fly to Your Heart

Selena Gomez

Watch all the flowers

Dance with the wind

Listen to snowflakes

Whisper your nameFeel all the wonder

Lifting your dreams

You can flyFly to who you are

Climb upon your star

When you believe

You'll find your wingsFly to your heart

Touch every rainbow

Painting the sky

Look at the magic

Glide through your life

A sprinkle of pixie dust

Circles the nightYou can fly

Fly to who you are

Climb upon your star

When you believeYou'll find your wings

Fly

Everywhere you go

Your soul will find a home

You'll be free

To spread your wings

Fly, you can fly to your heartRise to the heights

Of all you can be

Soar on the hope

Of marvelous things

Fly to who you are

Climb upon your star

When you believe

You'll find your wings

Fly

Everywhere you go

Your soul will find a home

You'll be free

To spread your wings

Fly, you can fly to your heart
