

Shut Up

The Black Eyed Peas

[Intro: Fergie]

Shut up, just shut up, shut up
Shut up, just shut up, shut up
Shut up, just shut up, shut up
Shut it up, just shut up, shut up
Shut up, just shut up, shut up
Shut up, just shut up, shut up (Oh no)
Shut up, just shut up, shut up
Shut it up, just shut up, shut up

[Chorus: Fergie]

We try to take it slow
But we're still losin' control
And we try to make it work
But it still ends up the worst and I'm crazy
For tryna be your lady
I think I'm goin' crazy

[Verse 1: will.i.am & Fergie, Both]

Girl, me and you were just fine, you know
We wined and dined, did them things
That couples do when in love, you know
Walks on the beach and stuff, you know
Things that lovers say and do
"I love you, boo", "I love you too"
"I miss you a lot", "I miss you even more"
That's why I flew you out when we was on tour
But then something got outta hand
You started yellin' why I would break plans (What did you say to me?)
Even though I had legitimate reasons (Bullshit)
You know I had to make them dividends (Bullshit)
How could you trust your private eyes, girl?
That's why you don't believe my lies and quick to say

[Chorus: Fergie & will.i.am, Both]

Shut up, just shut up, shut up
Shut it up, just shut up, shut up
We try to take it slow
But we're still losin' control
And we try to make it work

But it still ends up the worst and I'm crazy
For tryna be your lady
I think I'm goin' crazy (Why, why, why)

[Verse 2: Taboo & Kurtis Blow (& Fergie)]
Why does emotion gotta move so fast?
Love is progress if you could make it last
Why is it that you just lose control
Every time you agree on takin' it slow?
So why has it got to be so damn tough?
'Cause fools in lust could never get enough
Of love; showin' him the love that you be givin'
Changin' up your livin' for a lovin' transition (Yeah, yeah, yeah)
Girl, it's a mission tryin' to get you to listen
Screamin' at each other has become our tradition
You yell, I yell, everybody yells
Got neighbors across the street sayin', "Who the hell?!"
Who the hell? What the hell's goin' down?
Too much of the bickering, kill it with the sound and

[Chorus: Fergie & will.i.am]
Shut up, just shut up, shut up
Shut it up, just shut up, shut up
We try to take it slow
But we're still losin' control
And we try to make it work
But it still ends up the worst and I'm crazy (For what?)
(Crazy for what?) For tryna be your lady (Oh yeah?)
I think I'm goin' crazy (Uh, uh), woah-oh

[Chorus: Fergie, will.i.am, Both]
Shut up, just shut up, shut up (What?)
Shut up, just shut up, shut up (Whatcha say?)
Shut up, just shut up, shut up (Say what?)
Shut it up, just shut up, shut up (Girl, whatcha say?)
Shut up, just shut up, shut up (Girl, whatcha say?)
Shut up, just shut up, shut up (No, girl)
Shut up, just shut up, shut up (Shut up, you shut up, shut up)
Shut it up, just shut up, shut up

[Bridge: will.i.am & Fergie]
Girl, our love is dyin'
Why did you stop tryin'?
I never been a quitta
But I do deserve betta
Believe me, I will do bad
Let's forget the past and start this new plan
Why? 'Cause it's the same old routine
And then next week I hear them scream

Girl, I know you're tired of the things they say
You're damn right
'Cause I heard them lame damn excuses just yesterday
That was a different thing
No, it ain't
That was a different thing
No, it ain't
That was a different thing
It was the same damn thing, same ass excuses
Boy, you're useless, woah, oh!

[Breakdown: Fergie & will.i.am]

Shut up, just shut up, shut up (Just stop)
Shut up, just shut up, shut up (Oh no) (Just stop)
Shut up, just shut up, shut up (Just stop)
Shut it up, just shut up, shut up (Just stop)
Shut up, just shut up, shut up (Stop all the talking)
(Don't go now, please no, I don't know)
Shut up, just shut up, shut up (Stop all the talking)
Shut up, just shut up, shut up (Stop all the talking)
Shut it up, just shut up, shut up (Stop all the talking)

[Outro: will.i.am & Fergie]

Stop the talking, baby (Just stop)
Or I start walking, baby (Just stop)
Stop the talking, baby (Just stop) (Yeah, yeah)
Or I start walking, baby (Just stop)
Stop the talking, baby (Stop all the talking)
Or I start walking, baby (Stop all the talking) (Oh no, oh, oh, oh)
Stop the talking, baby (Stop all the talking)
Or I start walking, baby (Stop all the talking)
Stop the talking, baby (Just stop) (Is that all there is?)
Or I start walking, baby (Just stop)
Stop the talking, baby (Just stop) (Is that all there is?)
Or I start walking, baby (Just stop)
Stop the talking, baby (Stop all the talking) (Is that all there is?)
Or I start walking, baby (Stop all the talking)
Stop the talking, baby (Stop all the talking) (Is that all there is?)
Or I start walking, baby (Stop all the talking)
Stop the talking, baby (Just stop) (Is that all there is?)
Or I start walking, baby (Just stop)
Stop to get them, baby (Just stop) (Is that all there is?)
Look what happened, baby (Just stop)
Stop the talking, baby (Stop all the talking) (Is that all there is?)
Or I start walking, baby (Stop all the talking)
Stop to get them, baby (Stop all the talking) (Is that all there is?)
Look what happened, baby (Stop all the talking)
Is that all there is?
Is that all there is?

Is that all there is?
Is that all there is?
