

# Party All The Time

## The Black Eyed Peas

[Intro: Fergie]

Party all the time, party all the time

Party all the time, party all the time

[Hook: will.i.am]

If we could party all night and sleep all day

And throw all of my problems away

My life would be easy, my life would be easy

[Verse 1: will.i.am]

I would drink and go out-out with my crew

Party-party all the time, yep, that's what I'd do

Mack models, pop bottles, live life like the Sheik

(Party) Monday through Sunday every day of the week

[Pre-Hook: will.i.am]

Hot octane light in the fast lane zoom

And the joint don't pop, 'til I walk in the room

And the DJ's rocking my favorite tune

And they're shaking up the speaker like boom, boom, boom

[Hook: will.i.am & Fergie]

If we could party all night and sleep all day

And throw all of my problems away

My life would be easy, my life would be easy

If we could party all night and sleep all day

And throw all of my problems away](256803)

It'd would be easy, our lives would be easy

[Post-Hook: Fergie]

If we could party all the time, party all the time

Party all the time, party all the time

Party all the time, party all the time

Party all the time, party all the time

[Verse 2: apl.de.ap & (Fergie)]

If we could party, party, party (hey!)

Break that body down (yo!)

Ladies don't stop it (no!)

Shake it round and round

Feel that bass bumping and rock to the beat  
This beat is steady bumping  
They jumpin off they feet, check it out  
Ladies got they hands in the air  
Freaking like they just don't care (uh-huh)  
Party on down like yeah (yeah)  
Somebody say "Yeah!" (yeah)  
Check it out, check it out, what?  
Check it out, check it out, check it out, what?  
Nah you check it out  
I'm gonna party hard, like there's no turning back  
What'chu gon' do?

[Breakdown: Fergie]  
Party all night and sleep all day  
And throw all of my problems away  
My life would be easy, oh yeah  
Our lives would be easy

[Hook: will.i.am & Fergie]  
If we could party all night and sleep all day  
And throw all of my problems away  
My life would be easy, my life would be easy

[Verse 3: Taboo & (Fergie)]  
I don't give a fuck, I'm about to get loose  
I'mma take shots, get drunk off Goose  
I'mma live my life, I'mma party all night  
All day, any time, I don't care if it's right  
I wanna party, party, party (hey!)  
Party all day (okay!)  
Party, party (party)  
Party all the way  
(I wanna party like Ibiza, we don't need no visa  
Party like the Peas-a, I don't need one either)

[Verse 4: Fergie]  
Take me to the club, I need to dance  
I need to dance, I need to dance  
How 'bout a dance?

[Verse 5: will.i.am]  
Girl, I'm gonna take you to the club  
So we can dance, so we can dance  
So we can dance - the dance  
So we can dance - the dance

[Hook: will.i.am & Fergie] (2x)  
If we could party all night and sleep all day

And throw all of my problems away  
My life would be easy, my life would be easy

[Outro: Fergie]

Party all the time  
Party all the time, party all the time  
Party all the time, party all the time  
Party all the time, party all the time  
I'm so tipsy, so tipsy  
Yeah, I said it, I'm so tipsy, hehehehe  
Yeah, I said it
