

# Deja Vu (feat. Justin Bieber)

## Post Malone

Oohh, oohCause I can't take it no more  
No you ain't like them bitches  
Tell them hoes adios  
And you can drop your panties  
Leave them shits at the door  
Dior falls on the floor  
I swear we been here beforeI'm tryna see you from my own perspective  
You all in my section tryna come to my session  
We runnin' a pressure,  
You know that we flexin'  
We bought all the bottles,  
We came with the models  
Girl this a confession,  
I'm not like your exes  
I came in from Texas,  
And now that we textin'  
You can fly in whenever  
Now you undressin'  
Panties on the dresser,  
Your hair gettin' messed up  
The feelin' we catchin'  
My love is a blessin'  
Made love in that Lexus  
Made love in that Lexus  
I know you remember  
(I know you remember)  
Tell me is that deja vu?  
Cause you want me and I want you  
Tell me is that deja vu?  
Cause baby it ain't nothing new, no  
Tell me is that deja vu?  
Cause you want me and I want you  
Tell me is that deja vu?  
Cause baby this ain't nothing new, noOh you actin' reckless  
I told you that I need affection  
So let me point you in the right direction  
It's so important that you get the message  
Yeah, I gotta say, gotta say somethin' to you, you, you  
I'm on a roll  
I'm gonna roll out in that new, new, new  
If you wanna do what I wanna do  
Well uhm-uhm-uhm

Well I guess that's just deja vu  
Tell me is that deja vu?  
Cause you want me and I want you  
Tell me is that deja vu?  
Cause baby it ain't nothing new, no  
Tell me is that deja vu?  
Cause you want me and I want you  
Tell me is that deja vu?  
Cause baby it ain't nothing new, noTell me if you want it baby  
Cause I know I can drive you crazy  
I just wanted you to know now  
Oh-oh, oh-ohhh  
Show up in that new Mercedes  
You already know I'm faded  
Girl I've been thinkin' about you lately  
Oh-oh, oh-ohhhTell me is that deja vu?  
Cause you want me and I want you  
Tell me is that deja vu?  
Cause baby it ain't nothing new, no  
Tell me is that deja vu?  
Cause you want me and I want you  
Tell me is that deja vu?  
Cause baby it ain't nothing new, noCause I can't take it no more  
No you ain't like them bitches  
Tell them hoes adios  
And you can drop your panties  
Leave them shits at the door  
Dior falls on the floor  
I swear we been here before
