

Heaven Knows (feat. Brooklyn Dreams)

Donna Summer

Baby please
Please don't take your love from me
I am yours forever more
Until eternitySilently
Listen to the words I say
Well I'm not talking just for play
Listen to me, pleaseHeaven knows
It's not the way it should be
And heaven knows
It's not the way it could be
Don't you know there's no need to leave
Heaven knows
I never wanna leave you
Heaven knows
I only wanna please you
Don't you know love is what I needDown inside
Don't get caught with foolish pride
Put all the other things aside
There's only you and meBelieve in us
We were always meant to be
Me for you and you for me
Until eternityHeaven knows
It's not the way it should be
And heaven knows
It's not the way it could be
And don't you know there's no need to leave
Heaven knows
I never wanna leave you
Heaven knows
I only wanna please you
Don't you know love is what I needHeaven knows
It's not the way it should be
And heaven knows
It's not the way it could be
And don't you know there's no need to leaveHeaven knows
I only wanna love you
And heaven knows
I never wanna lose you
Don't you know love is meant to beHeaven knows
It's not the way it should be
And it's no use now
So stop with the pretending

So come on child and hear me when I cry
